Re: Legal Complications

I have a Civil suit # 1:20-cv-00151-wes-LDA and am lost on a legal standard i have made it to a point on my own i now getting ready for a trial (something i want) i have NO clue what i am doing so ready myself for that, i can not find any Attorneys willing to help. So the (Doc) can win this one.

Sorry Sir, i Just don't know what to do next.

Sincerely
